Back to School and Germ Prevention in the "New Normal" with Lysol

New Mexico PTA has been offered the opportunity through National PTA and Lysol to provide a workshop on Wednesday August 19 at 7:00pm MDT. This workshop, titled:

Back to School and Germ Prevention in the "New Normal" with Lysol is a pre-recorded workshop from the National PTA Convention. New Mexico PTA is honored to have a member from Lysol, Joe Rubino (speaker in the workshop) and 2 members from the CDC, Dr. Jen Zubler and Dr. David Berendes (also featured speakers) who will be **answering YOUR questions LIVE in the Chat Box**

There are high levels of uncertainty around reopening of school systems, classrooms and the health and safety of students, teachers and volunteers. In this

workshop you will learn about recommendations and best practices for ensuring a safe return to school from experts in the field.

The **Zoom link is below for Wednesday at 7:00pm MDT**. Make sure to join us for this very informative event. This is a special opportunity to have your questions answered directly by the CDC and Lysol.
