National PTA's ***Take Your Family to School Week***, celebrated **February 17–21, 2025**, is designed to provide families with an opportunity to get more involved in their child's education and strengthen their partnerships with teachers and administrators. The week honors the day PTA was founded, February 17, 1897.

Take Your Family to School Week recognizes the vital role that family engagement plays in student success. For over 125 years, National PTA has encouraged families to be involved in their child's education.
